The Public Records shall be made available for inspection within a reasonable time, which is presumed to be three (3) working days or less from the date of receipt of the request. Such three (3) day period may be extended by an additional seven (7) working days if extenuating circumstances, as described in § 24-72-203(3)(b), C.R.S., exist. Responding to applications for inspection of Public Records need not take priority over the previously scheduled work activities of the Custodian or the Custodian's designee.
- 3. All Public Records to which the request applies shall be preserved from the date of the request until such time as set forth in the District's records maintenance, retention, or deletion policy or practices utilized by the Custodian.
- 4. No one shall remove a Public Record from the Custodian's offices without the permission of the Custodian. Public Records may be removed from file folders or places of storage for photocopying by the Custodian or the Custodian's designee. The Custodian may allow a person to use his or her own portable electronic equipment to make copies of Public Records.
 - 5. As a general practice, in response to a Public Records request:

- a. Public Records will be made available for inspection in the format in which they are stored. If the Custodian is unable to produce the Public Record in its stored format for any reason set forth in § 24-72-203(3.5)(b) C.R.S., an alternate format may be produced or a denial issued under § 24-72-204, C.R.S.
- b. The person making the request shall not be allowed to access the Custodian's computer or any other computer for purposes of inspecting any Public Records;
- c. Any portion of a Public Record containing non-public information that is not subject to inspection may be redacted by the Custodian prior to making the record available for inspection. The Custodian is not required to redact information from a writing that is not a Public Record in order to make the writing available for inspection. *Denver Publishing Co. v. Bd. Of County Comm'rs of the County of Arapahoe*, 121 P.3d 190 (Colo. 2005); *Colorado Republican Party v. Benefield, et al.*, Court of Appeals No. 07CA1216, Oct. 23, 2008 (Unpublished).
- d. The Custodian, in consultation with the District's general counsel, will determine which information is no longer considered "work-in-progress" subject to the deliberative process or work product privilege and therefore eligible for release.
- e. Altering an existing Public Record, or excising fields of information that the Custodian is either required or permitted to withhold does not constitute the creation of a new Public Record. Section 24-72-203(3.5)(d), C.R.S.
- f. Upon request, the Custodian will produce a public record in a format accessible to individuals with disabilities. Section 24-72-203(3.5)(e), C.R.S.
- g. A document will not ordinarily be created in order to respond to a request.
- 6. Where a request seeks in excess of twenty-five (25) electronically-stored Public Records, the following procedure shall apply in responding to such a request:
- a. The Custodian shall solicit the comments of the requestor regarding any search terms to be used to locate and extract such records, and, in doing so, will seek to have the request refined so that it does not result in an inordinate number of irrelevant or duplicative documents, it being understood that the Custodian will make the final determination regarding search terms:
- b. The Custodian shall designate an employee or another person with experience in performing electronic searches to locate and extract responsive records;
- c. The person who is designated to perform the searches shall consult, as appropriate, with legal counsel to identify privileged records that should not be produced; and
- d. Where appropriate, legal counsel shall conduct a final review to identify and withhold privileged records.
- 7. The Custodian or the Custodian's designee shall deny the inspection of the records if such inspection would be contrary to federal or state law or regulation, or would violate

a court order. In special circumstances, a Custodian shall deny inspection of the Public Records if such inspection would cause substantial injury to the public interest. Such a denial shall be made in writing by the Custodian to the person making the request and shall set forth with specificity the grounds of the denial. It is not necessary to state a ground for denial of access for each document if a specific ground is applicable to a group of documents.

- 8. If the Public Records requested are not in the custody or control of the Custodian, the Custodian shall notify the requestor of this fact in writing. In such notification, the Custodian shall state in detail to the best of his/her knowledge and belief the reason for the absence of the Public Records, the location of the Public Records, and what person then has custody or control of the Public Records.
- 9. All Public Records, regardless of storage format, will be administered in accordance with approved retention schedules. The District reserves the right to adopt the records retention policy that has been promulgated by the Custodian.

E. Fees for All Record Requests.

- 1. Fees for Standard Reproductions. The Custodian or the Custodian's designee shall charge a fee not to exceed twenty-five cents (\$.25) per page for any photocopies or printed copies of electronic records that are required to make a Public Record available. Other reproductions of Public Records shall be provided at a cost not to exceed the actual cost of the reproduction. Such fees shall be paid by the applicant prior to the receipt of copies of any Public Records. Requests expected to exceed a total charge of ten dollars (\$10.00) or more must be accompanied by a deposit equal to the reasonably-estimated reproduction costs. This deposit will be credited toward the total fee, and the total fee shall be paid prior to release of the requested records. In the event the deposit amount exceeds the actual costs, the balance will be refunded.
- 2. <u>Transmission Fees.</u> No fees related to transmission shall be charged for transmitting public records via electronic mail. Within the period specified in § 24-72-203, C.R.S., the Custodian shall notify the record requester that a copy of the record is available, but will only be sent to the requester once the custodian receives payment for postage if the copy is transmitted by United States mail, or payment for the cost of delivery if the copy is transmitted other than by United States mail, and payment for any other supplies used in the mailing, delivery, or transmission of the record and for all other costs associated with producing the record. Upon receiving such payment, the custodian shall send the record to the requester as soon as practicable but no more than three business days after receipt of such payment.

3. Fees for Search, Retrieval and Legal Review:

a. In the case of any request requiring more than one (1) hour of time for search, retrieval, supervision of inspection, copying, manipulation, redaction or legal counsel review to identify and withhold privileged records, the Custodian or the Custodian's designee may charge an hourly fee amount allowed pursuant to § 24-72-205(6)(a), C.R.S., which can be found at https://leg.colorado.gov/node/1669596/, as amended from time to time. Prior to performing any services necessary to respond to a request, the Custodian or the Custodian's designee shall require the applicant to pay a deposit equal to the reasonably estimated fees that will be charged by the Custodian for such staff time. Before receiving any records, the applicant shall also pay the amount

by which the cost of any open records services exceeds the deposit. The District shall promptly refund the amount by which the deposit exceeds the cost of any open records services.

b. To the extent possible, the Custodian shall utilize administrative or clerical staff for search and retrieval of Public Records who are ordinarily responsible for such duties to ensure that the fees charged for staff time in connection with the request represent costs incurred in the ordinary course of business and not extraordinary charges, but in any case, such charges shall be consistent with § 24-72-205(6), C.R.S.

RESOLUTION OF THE BOARD OF DIRECTORS OF THE BRADLEY HEIGHTS METROPOLITAN DISTRICT NO. 2

Establishing Guidelines for the Processing and Collection of Delinquent Fees and Covenant Enforcement Charges

WHEREAS, Bradley Heights Metropolitan District No. 2 (the "District") is a quasimunicipal corporation and political subdivision of the State of Colorado; and

WHEREAS, pursuant to § 32-1-1001(1)(j)(I), C.R.S., the Board of Directors of the District (the "Board") is authorized to fix and from time to time increase or decrease, fees, rates, tolls, penalties, or charges for services, programs, or facilities furnished by the District (collectively, the "Fees") to properties within and without (each property individually referred to herein as the "Property") the District's boundaries; and

WHEREAS, pursuant to the terms and conditions of the Covenants and Restrictions of Century at Bradley Heights, recorded in the real property records of the Clerk and Recorder of El Paso County, Colorado at Reception No. 223101445, on December 13, 2023, (the "Covenants"), the District's Resolution Regarding Policies, Procedures and Penalties for the enforcement of the Governing Documents, adopted July 30, 2024, the District's Resolution Concerning the Imposition of a Trash and Recycle Service Fee, adopted February 13, 2024, the District's Resolution Concerning the Imposition of Capital Facilities Fee, adopted March 9, 2021, the District is permitted to send demand letters and notices, levy and collect fines and interest, record liens, and negotiate, settle and take any other actions allowed by Colorado law and the District's governing documents with respect to any violations or alleged violations of the Covenants and/or the District's rules and regulations (any such fines imposed or other applicable charges or expenses incurred by the District in relation to any covenant or rule enforcement with respect to any owner collectively referred to herein as "Covenant Charges"); and

WHEREAS, pursuant to § 32-1-1001(1)(j)(I), C.R.S., until paid, the Fees and Covenant Charges shall constitute a perpetual lien on and against the property served; and

WHEREAS, any such lien for Fees and Covenant Charges may be foreclosed in the same manner as provided by the laws of the State of Colorado for the foreclosure of mechanics' liens; and

WHEREAS, by this Resolution (the "Resolution"), the District desires to set forth guidelines for the processing and collection of unpaid and/or delinquent Fees and Covenant Charges imposed by the District, together with any and all Late Fees, Interest, Penalties and Costs of Collections (each defined separately in this Resolution, and collectively, the "Delinquency Charges"); and

WHEREAS, notwithstanding anything in this Resolution to the contrary, the guidelines set forth in this Resolution are intended to create orderly and fair procedures for the processing and

collection of delinquent Fees, Covenant Charges, and Delinquency Charges and any deviation from the guidelines shall not affect the status of the Lien (as defined below) in any way.

NOW THEREFORE, the Board hereby adopts this Resolution and the following policies and procedures:

1. Statement of Lien Guidelines:

- a. **Perpetual Lien**. Pursuant to § 32-1-1001(1)(j)(I), C.R.S., all delinquent Fees, Covenant Charges, and Delinquency Charges shall constitute a perpetual lien on and against the Property served by the District (the "**Lien**"). All such Liens shall, to the fullest extent permitted by law, have priority over all other liens of record affecting the Property and shall run with the Property and remain in effect until paid in full. Liens imposed for delinquent Fees and Delinquency Charges related to such delinquent Fees contemplated herein may be foreclosed as authorized by law at such time as the District, in its sole discretion, may determine.
- i. Notwithstanding the foregoing, the guidelines set forth in this Resolution are intended to create orderly and fair procedures for the processing and collection of delinquent Fees, Covenant Charges, and Delinquency Charges and to provide additional notice to interested parties, including, but not limited to, title companies and the Property owner. In the event any or all of the guidelines set forth in this Resolution are not followed, such deviation shall not affect the status of the Lien in any way. Further, the Board may waive any guidelines set forth in this Resolution and may amend them from time to time as it deems necessary.
- b. **Manager Procedures**. The District's manager, accountant or billing agent (any of which are referred to herein as the "**Manager**") is responsible for collecting Fees and Covenant Charges imposed by the District against the Property. In the event payment of Fees or Covenant Charges is delinquent, the Manager may perform the procedures listed below. Fees are considered delinquent when they have not been paid by their corresponding due date and Covenant Charges are delinquent when they have not been paid within thirty (30) days of being imposed (the "**Delinquent Account**"):
- i. Fifteen (15) Calendar Days Past Due: A delinquent payment "Reminder Letter" may be sent to the address of the last known owner of the Property according to the Manager's records, which may (1) request prompt payment; (2) notify the Property owner that a Reminder Letter Fee and a Late Fee in the amounts set forth in this Resolution have been assessed; and (3) reference the url address of the District's webpage where this Resolution is displayed, if available. In the event the above mailing is returned as undeliverable, the Manager may send a second copy of the Reminder Letter to: (1) the Property; (2) the address of the last known owner of the Property as found in the real property records of the county Assessor's Office (the "Assessor") for the county in which the District is located (collectively, the "Property Address"). The Manager may deviate from the mailing destinations as included in the Property Address if requested by the Property owner in writing.

- ii. Fifteen (15) Calendar Days From the Date of the Reminder Letter: A "Warning Letter" may be sent to the Property Address: (1) requesting prompt payment; (2) notify the Property owner that a Warning Letter Fee in the amount set forth in this Resolution has been assessed; (3) warning of further legal action should the Property owner fail to pay the total amount due and owing; and (4) referencing the url address of the District's webpage where this Resolution is displayed, if available. Along with the Warning Letter, a copy of the most recent account ledger reflecting the total amount due and owing to the District according to the records of the Manager may also be sent.
- the total amount of delinquent Fees, Covenant Charges and Delinquency Charges owing on the Property has exceeded One Hundred Fifty Dollars (\$150.00) and or the account is one hundred and five (105) days past due, regardless of whether the Manager has performed the tasks outlined in Section 1(b) of this Resolution, the Manager may refer the Delinquent Account to the District's legal counsel engaged for collection matters ("Special Counsel"). At the time of such referral, the Manager may be requested to provide Special Counsel with copies of all notices and letters sent pursuant to Section 1(b), if any, as well as a copy of the most recent ledger for the Delinquent Account.
- c. **Special Counsel Procedures**. Upon referral of a Delinquent Account from the Manager, Special Counsel may perform the following:
- i. Upon Referral of the Delinquent Account From the Manager: A "Demand Letter" may be sent to the Property Address, notifying the Property owner that the Property has been referred to Special Counsel for further collections enforcement, including the filing of a statement of lien against the Property. Along with the Demand Letter, a copy of the most recent account ledger reflecting the total amount due and owing the District according to the records of the Manager may also be sent.
- ii. No Sooner than Thirty (30) Calendar Days from the Date of the Demand Letter: A Notice of Intent to File a Statement of Lien, along with a copy of the statement of lien to be filed, may be sent to the Property Address of the Delinquent Account notifying the Property owner that a statement of lien will be recorded with the clerk and recorder of the county (the "Clerk and Recorder") within no sooner than ten (10) days from the postmark date of the Notice of Intent to File a Statement of Lien.
- iii. No Sooner than Ten (10) Calendar Days from the Date of the Notice of Intent to File a Statement of Lien: A Statement of Lien for the total amount due and owing as of the date of the Statement of Lien may be recorded against the Property with the Clerk and Recorder no sooner than ten (10) days from the postmark date of the Notice of Intent to File a Statement of Lien is sent to the Property. Notwithstanding the amount due and owing reflected on the Statement of Lien, all delinquent Fees and related Delinquency Charges will continue to accrue on the Delinquent Account and will run with the Property until the total amount due and owing the District is paid in full.
- d. *Foreclosure or Bankruptcy*. In circumstances where the Property is being foreclosed upon or where the owner of the Property has declared or is declaring bankruptcy and

notice of such bankruptcy action has been provided to the District, the Manager may be permitted, in his or her discretion, to refer the Delinquent Account directly to Special Counsel in order to avoid unnecessary, costly and time-consuming procedures. Upon referral of the Delinquent Account to Special Counsel, Special Counsel may, in his or her discretion, immediately file a Statement of Lien on the Property. Further, when a Delinquent Account consisting of delinquent Fees and related Delinquency Charges has a balance of one thousand five hundred dollars (\$1,500.00) or greater (for Delinquency Charges other than Covenant Charges), Special Counsel may submit the account to the Board for consideration of a foreclosure action. Special Counsel shall not proceed with a foreclosure action unless such action is authorized by the Board. The District may, at its option, forward a copy of the foreclosure warning letter to any and all deed of trust holders and/or counsel for any and all deed of trust holders of record.

2. Late Fees:

- a. Late Fees are assessed on the Property for failure to make timely payments of Fees or Covenant Charges. Late Fees are applied, regardless of whether the Fees are assessed on a one-time, monthly, quarterly, semi-annual, annual, or any other basis.
- b. Late Fees are assessed on the Property Fifteen (15) calendar days from the payment due date. Pursuant to § 29-1-1102, C.R.S., such Late Fee may be charged by either of the following two methods, whichever is greater:
- i. One Late Fee of Fifteen Dollars (\$15.00) may be assessed on the Property per each assessment or installment of Fees or Covenant Charges not fully paid prior to the Fifteenth (15) calendar day following the payment due date; or
- ii. In lieu of Section 2(b)(i) above, a Late Fee of Five Percent (5%) per month, commencing on the Fifteenth (15) calendar day following the payment due date, and each month thereafter, may be charged on unpaid Fees or Covenant Charges until the Late Fee equals Twenty Five Percent (25%) of all outstanding Fees or Covenant Charges, as applicable.
- c. Partial payment of any outstanding delinquent Fees, Covenant Charges, or Delinquency Charges will not prevent the imposition of Late Fees pursuant to this Section 2.
- d. Payments received will be applied to the balance due in the following order of priority: (1) Late Fees; (2) Interest; (3) Costs of Collections; (4) Legal Fees and Costs; (5) the earliest imposed and unpaid Fees or Covenant Charges; (6) any successive unpaid Fees or Covenant Charges in chronological order from the earliest unpaid Fees or Covenant Charges to the most recently imposed Fees or Covenant Charges.
- e. No penalty will be assessed on the Property for a credit balance resulting from the prepayment and/or overpayment of Fees. Such credit balances will be carried forward on the account with all subsequent Fees and related Delinquency Charges being deducted until such time as the credit balance is depleted. A Property carrying a credit balance may be assessed Late Fees as provided herein at such time as the credit balance is insufficient to pay the entire amount of Fees due and owing the District.

- 3. **Interest**: Interest charges accrue on all delinquent Fees and Covenant Charges at the maximum statutory rate of Eighteen Percent (18%) per annum. Interest shall not accrue and be charged on Late Fees, Interest or Costs of Collections. § 29-1-1102, C.R.S.
- 4. **Penalties**: "**Penalties**" may be charged on Delinquent Accounts at a rate determined by the Board and may include, but are not limited to, pro-rated costs associated with collection efforts on behalf of the District for all Delinquent Accounts combined.
- 5. **Costs of Collections:** "Costs of Collection" include, but are not limited to, attorneys' fees and all other costs, fees and charges associated with the processing and/or collection of delinquent Fees and Covenant Charges, including fixed and/or hourly rates imposed by the management company for associated work and hourly and fixed fees imposed by Special Counsel. In accordance with § 29-1-1102(8), C.R.S., nothing in this Resolution shall be construed to prohibit the District from recovering all Costs of Collections whether or not outlined above, except the District may not foreclose a lien that consists exclusively of Covenant Charges.

6. Waiver of Late Fees, Interest and Costs of Collections:

- a. The Manager and Special Counsel each have authority and discretion to waive or reduce portions of the Delinquent Account attributable to Late Fees and Interest. Such action is permitted if either the Manager or Special Counsel, in its discretion, determines that such waiver or reduction will facilitate the payment of delinquent Fees, Covenant Charges and/or Delinquency Charges. Notwithstanding the foregoing, neither the Manager nor Special Counsel shall have the authority to waive Late Fees and Interest which, in the aggregate, exceed One Thousand Dollars (\$1,000.00). In such case, the person or entity owing in excess of One Thousand Dollars (\$1,000.00) in Late Fees and Interest combined and requesting such a waiver shall first submit a request, in writing, to the Board, and the Board may make the determination in its sole discretion.
- b. Neither the Manager nor Special Counsel is authorized to waive any portion of the Fees, Covenant Charges, or Costs of Collections. Should the Property owner desire a waiver of such Fees, Covenant Charges, and/or Costs of Collections, s/he may submit a written request to the Board and the Board may make the determination in its sole discretion.
- c. Any waiver or reduction of Late Fees or Interest granted pursuant to Sections 6(a) or (b) hereof shall not be construed as a waiver or reduction of future Late Fees and Interest, or as the promise to waive or reduce future Late Fees or Interest. Nor shall any such waiver or reduction be deemed to bind, limit, or direct the future decision-making power of the Board, Manager, the District's general legal counsel ("General Counsel") or Special Counsel, whether related to the Property in question or other properties within the District.
- 7. **Payment Plans**: The Manager and Special Counsel each have the authority to enter into or establish payment plans for the repayment of a Delinquent Account. Should the Manager or Special Counsel elect not to enter into a payment plan with the Property owner, the Property owner may submit a written request to the Board and the Board may make the determination in its sole discretion.

8. Certification of Covenant Charges and Related Delinquency Charges to County Treasurer:

- a. Pursuant to § 32-1-1004.5(3)(b)(III), C.R.S., the Board may elect to certify any delinquent Covenant Charges and related Delinquency Charges satisfying the criteria established therein to the county Treasurer's Office for collection with the District's ad valorem property taxes. The certification process may be performed by the Manager, Special Counsel or General Counsel in addition to or in lieu of any procedures set forth in this Resolution in the Board's sole discretion. The fees for the certification process shall be in accordance with Colorado law and the county's policy.
- b. Pursuant to § 32-1-1101(1)(e), C.R.S., the Board may elect to certify any delinquent Fees and Delinquency Charges related to water and sanitation fees satisfying the criteria established therein to the County Treasurer for collection with the District's ad valorem property taxes. The certification process may be performed by the Manager, Special Counsel or General Counsel in addition to or in lieu of any procedures set forth in this Resolution in the Board's sole discretion. The fees for the certification process shall be in accordance with Colorado law and the county's policy.
- 9. **Acceleration and Decelerations of Fees**: The District reserves the right to accelerate and call due an entire unpaid annual Fee on any Delinquent Account. Such acceleration shall result in the entire unpaid annual Fee being due to the District immediately. The District also reserves the right to decelerate any accelerated Fee.
- 10. **Ratification of Past Actions**: All acts, omissions, waivers and/or payment plans heretofor undertaken by the Manager or Special Counsel that would otherwise have been authorized by or not required by this Resolution are hereby affirmed, ratified and made effective as of the date said acts, omissions, waivers and/or payment plans occurred.
- 11. **Additional Actions**: The Board directs its officers, staff and consultants to take such additional actions and execute such additional documents as are necessary to give full effect to the intention of this Resolution.
- 12. **Deviations**: The District may deviate from the procedures set forth in this Resolution if in its sole discretion such deviation is reasonable under the circumstances.
- 13. **Prior Outstanding Fees**: Any fees, rates, tolls, penalties or charges due under the Prior Policy, to the extent outstanding and unpaid, shall remain in effect until fully paid and shall not be eliminated hereby
- 14. **Supersedes Prior Resolutions**: This Resolution shall supersede and replace in their entirety all prior resolutions addressing the processing and/or collection of delinquent Fees, Covenant Charges, and Delinquency Charges. To the extent that any term or provision in this Resolution conflicts with any term or provision in a previously enacted and valid resolution of the District, the term or provision in this Resolution shall prevail.
- 15. **Severability**: If any term, condition or provision of this Resolution shall, for any reason, be held to be invalid or unenforceable, the invalidity or unenforceability of such term,

condition or provision shall not affect any other provision contained in this Resolution, the intention being that such provisions are severable. In addition, in lieu of such void or unenforceable provision, there shall automatically be added as part of this Resolution a provision similar in terms to such illegal, invalid or unenforceable provision so that the resulting reformed provision is legal, valid and enforceable.

16. **Savings Provision**: The failure to comply with the procedures set forth herein shall not affect the status of any delinquent Fees, Covenant Charges, and/or Delinquency Charges as a perpetual Lien subject to foreclosure in accordance with law. Failure by the Manager, General Counsel or Special Counsel or other authorized representative to take any action in accordance with the guidelines provided herein shall not invalidate subsequent efforts to collect the delinquent Fees, Covenant Charges, and/or Delinquency Charges.

- 1.1. Customer warrants that it has installed the water facilities extension and appurtenances under CSU Project Number 2022-W118, described as Meadoworks Offsite Public Water Main Ph 2 ("Extension") and depicted in Exhibit A, in accordance with the UTILITIES' Line Extension & Service Standards in effect at the commencement of construction.
- 1.2. CUSTOMER warrants that it has paid all costs associated with the installation of said Extension and acknowledges the Cost Contribution from UTILITIES in the amount of \$1,162,847.71.

2. Recovery Calculations.

- 2.1. UTILITIES will collect Recovery Agreement Charges and reimburse CUSTOMER in accordance with the terms and conditions of this Agreement and UTILITIES tariffs, rules and regulations. In no event shall the total amount of Recovery Agreement Charges exceed the Maximum Recovery Amount (as defined below in Paragraph 2.3).
- 2.2. Allowable Construction Costs eligible for recovery under this Agreement are set forth in Exhibit B. All costs incidental to or resulting from the procurement by UTILITIES of any required land easements or rights-of-way, whether obtained by dedication, contract, condemnation or otherwise shall be borne by the CUSTOMER and included in the total Allowable Construction Costs.
- 2.3. The Unit Recovery Agreement Charge ("URC"), CUSTOMER'S Pro Rata Share, CUSTOMER'S Maximum Recovery Amount is set forth in Exhibit B. For reference, these are calculated as follows:

- A. "CUSTOMER'S Pro Rata Share" is calculated taking total Allowable Construction Costs, less any Cost Contribution funds paid to CUSTOMER, divided by the number of equal units in the Recovery Area to get the cost per unit. Then the cost per unit will be multiplied by the number of units credited to the CUSTOMER to get the CUSTOMER'S Pro Rata Share.
- B. The "Maximum Recovery Amount" is calculated by subtracting any Cost Contribution funds paid to the CUSTOMER and the CUSTOMER'S Pro Rata Share from the Total Allowable Construction Costs and multiplying the remaining amount by the Interest Factor.
- C. The URC, if applicable is calculated by dividing the Maximum Recovery Amount by the number of equal units which the Recovery Area is divided.

3. Recovery Area.

- 3.1. The parties hereby agree that the area subject to a URC ("Recovery Area") is described in Exhibit A. The Recovery Area and the per unit cost calculations are based on the information available at the time the request to initiate this Recovery Agreement was made. However, actions initiated by others, at any time, such as site grading, land platting, development, or other activities may impact the eligibility of certain properties for cost recovery in or near the defined Recovery Area. These actions may affect certain properties within the initial Recovery Area so that they will no longer utilize water service from the Extension, or these actions may also affect certain properties near the initial Recovery Area so that they may in the future utilize water service from the Extension.
- 3.2. UTILITIES reserves the right to adjust the established Recovery Area boundary and/or the URC, in its sole and complete discretion, if the above-described circumstances occur. CUSTOMER agrees and acknowledges that it may receive all or only a part of its eligible costs under this Recovery Agreement depending on the factors listed above and development in or near the Recovery Area in general.
- 3.3. However, UTILITIES shall have no duty or obligation to adjust the original Recovery Area and Customer expressly waives and releases UTILITIES from any and all claims, causes of action, or any other remedies CUSTOMER may seek against UTILITIES for UTILITIES' adjustment of the Recovery Area or UTILITIES' failure to adjust the Recovery Area.
- 3.4. UTILITIES may recalculate the URC for properties and/or customers in any amended Recovery Area based on a calculation or method as solely determined by UTILITIES. Generally, UTILITIES will subtract the sum of any Recovery Agreement Charges collected from the eligible amount subject to recovery under this Recovery Agreement (the "Balance"). This Balance will then be used to recalculate a URC based on the properties and/or customers in the amended Recovery Area which have not yet paid a Recovery Agreement Charge pursuant to this Recovery Agreement.
- 3.5. In no event will any person/property/or customer who has paid a Recovery Agreement Charge, or is already connected to UTILITIES' water system as of the date the Recovery Area is amended, be subject to an adjustment of any Recovery Agreement Charge already assessed, or if already connected to the water system, an initial Recovery Agreement Charge under this Recovery Agreement.

4. Costs Eligible for Reimbursement.

- 4.1. Costs eligible for recovery under this Agreement ("Allowable Construction Costs") shall be limited to those direct costs related to installation of water facilities extension such as engineering, construction, permits, and easement or right-of-way ("ROW") costs. Allowable Construction Costs shall not include indirect or unrelated costs such as CUSTOMER'S overhead expenses, cost of financing, cost of service lines, etc.
- 4.2. All costs incidental to or resulting from the procurement by UTILITIES of any required land easements or rights-of-way, whether obtained by dedication, contract, condemnation or otherwise shall be borne by the CUSTOMER and included in the total Allowable Construction Costs.

5. <u>Calculation of Maximum Recovery Amount and Unit Recovery Agreement Charge Recovery Agreement Charge.</u>

- 5.1. The URC, CUSTOMER'S Pro Rata Share and the CUSTOMER'S Maximum Recovery Amount will be calculated as shown in **Exhibit B**.
- 5.2. For reference, the CUSTOMER'S Pro Rata Share will be calculated by dividing the total allowable construction costs, less any Cost Contribution funds paid to CUSTOMER, by the number of equal units which the Recovery Area is divided into to get the cost per unit. Then the cost per unit will be multiplied by the number of units credited to the CUSTOMER to get the CUSTOMER'S Pro Rata Share. See **Exhibit B** for calculation.
- 5.3. For reference, the Maximum Recovery Amount will be calculated by subtracting any Cost Contribution funds paid to the CUSTOMER and the CUSTOMER'S Pro Rata Share from the Total Allowable Construction Costs and multiplying the remaining amount by the interest factor. See **Exhibit B** for calculation.
- 5.4. For reference, the URC will be calculated using the following formula.

URC =
$$\underline{a} (1 + 5(b + .03))$$

Where a = Total Allowable Construction Costs less the CUSTOMER's Pro Rata Share and less any Cost Contribution Payments.

Where b = Federal Reserve Prime interest rate prevailing at the time of agreement.

Where c = The number of equal or nearly equal units within the Recovery Area, less the number of units credited to the CUSTOMER. The units may be calculated, per lot, per acre, or per single family equivalent.

6. Properties Subject to Recovery Agreement Charge Recovery Agreement Charge.

6.1. A Recovery Agreement Charge shall only be assessed for those properties in the Recovery Area, which derive service from the Extension as determined by UTILITIES in its complete and sole discretion.

7. Reimbursement.

7.1. For a period of twenty (20) years from the date of this Agreement UTILITIES shall:

- A. Calculate as necessary the Recovery Agreement Charges, according to the terms of this Agreement, for each connection to the Extension; and
- B. Use reasonable efforts to collect such Recovery Agreement Charges; and
- C. Use reasonable efforts to remit the Recovery Agreement Charges as collected to CUSTOMER until such time as the CUSTOMER is reimbursed the Maximum Recovery Amount, as provided herein.
- 7.2. Except as provided in the City Code, UTILITIES tariffs, rules and regulations as of the Effective Date, CUSTOMER shall have no right to receive Recovery Agreement Charges or any other compensation on account of additional connections to the Extension after the expiration of twenty years (20) from the date of this Recovery Agreement or after Customer has received the Maximum Recovery Amount, whichever is earlier.
- 7.3. Any other amounts received by UTILITIES after the expiration date or after CUSTOMER has been reimbursed the Maximum Recovery Amount shall be retained by UTILITIES and CUSTOMER shall have no interest in monies received, except as provided by the Water Rules and Regulations in effect.

8. Connections.

- 8.1. All connections to the Extension are subject to approval by UTILITIES. All such connections must comply with UTILITIES' specifications and requirements effective at the time such connections are requested.
- 8.2. Connections to the Extension are subject to the availability of water service at the time such connection permits are requested. Nothing herein shall be construed to require UTILITIES to furnish water service in any manner except as UTILITIES determines that such service is available on its system at the time a request is made; nor shall this agreement be construed as a promise, guarantee or representation that UTILITIES will provide water service for such connections in the future. CUSTOMER understands and agrees that this may affect CUSTOMER'S recovery hereunder.
- 9. <u>Liens.</u> If at any time, any mechanics liens, judgment liens, or other valid and enforceable liens encumber the Extension, land, easements or rights-of-way thereof, and such liens remain unsatisfied for more than sixty (60) days, CUSTOMER agrees that UTILITIES may exercise any combination of the following rights:
 - A. Require CUSTOMER forthwith to provide UTILITIES with security for the payment of the liens in full, on terms satisfactory to UTILITIES; and/or
 - B. Refuse additional connections to the Extension until said liens are released or adequate security is provided; and/or
 - C. Apply any Recovery Agreement Charges collected thereafter to the payment of the outstanding liens.
- 10. <u>Set-Off.</u> This Agreement is subject to rights of setoff; UTILITIES may set off, against any Recovery Agreement Charges owed to Applicant, any amounts that Applicant owes to UTILITIES. In the event UTILITIES exercises its right of setoff, it shall provide an accounting to Applicant to the extent of the amount set off in lieu of the Recovery Agreement Charge payment of such amount.

11. <u>Third Party Beneficiaries.</u> Nothing herein shall be construed to give any rights or benefits hereunder to anyone other than UTILITIES and the CUSTOMER.

12. Notice of Changes of Address and Assignments.

- 12.1. The CUSTOMER is responsible to notify UTILITIES in writing of any assignment of this Recovery Agreement and/or any changes of address within thirty (30) days.
- 12.2. If the CUSTOMER fails to notify UTILITIES in writing of any change of address or of any assignment of this Agreement, UTILITIES will retain collected Recovery Agreement Charges until such notice is received. CUSTOMER and/or its assignees will not be entitled to interest on the retained funds.
- 12.3. Any retained funds which are not claimed by the expiration of the Recovery Agreement become the property of UTILITIES and CUSTOMER will have no right or interest in them.

- 15. Appropriation of Funds. In accord with the Colorado Springs City Charter, performance of UTILITIES' obligations under this Agreement is expressly subject to appropriation of funds by the City Council. In the event funds are not appropriated in whole or in part sufficient for performance of UTILITIES' obligations under this Agreement, or appropriated funds may not be expended due to City Charter spending limitations, then this Agreement will thereafter become null and void by operation of law, and UTILITIES will thereafter have no liability for compensation or damages in excess of UTILITIES' authorized appropriation for this Agreement or the applicable spending limit, whichever is less.

16. Dispute Resolution.

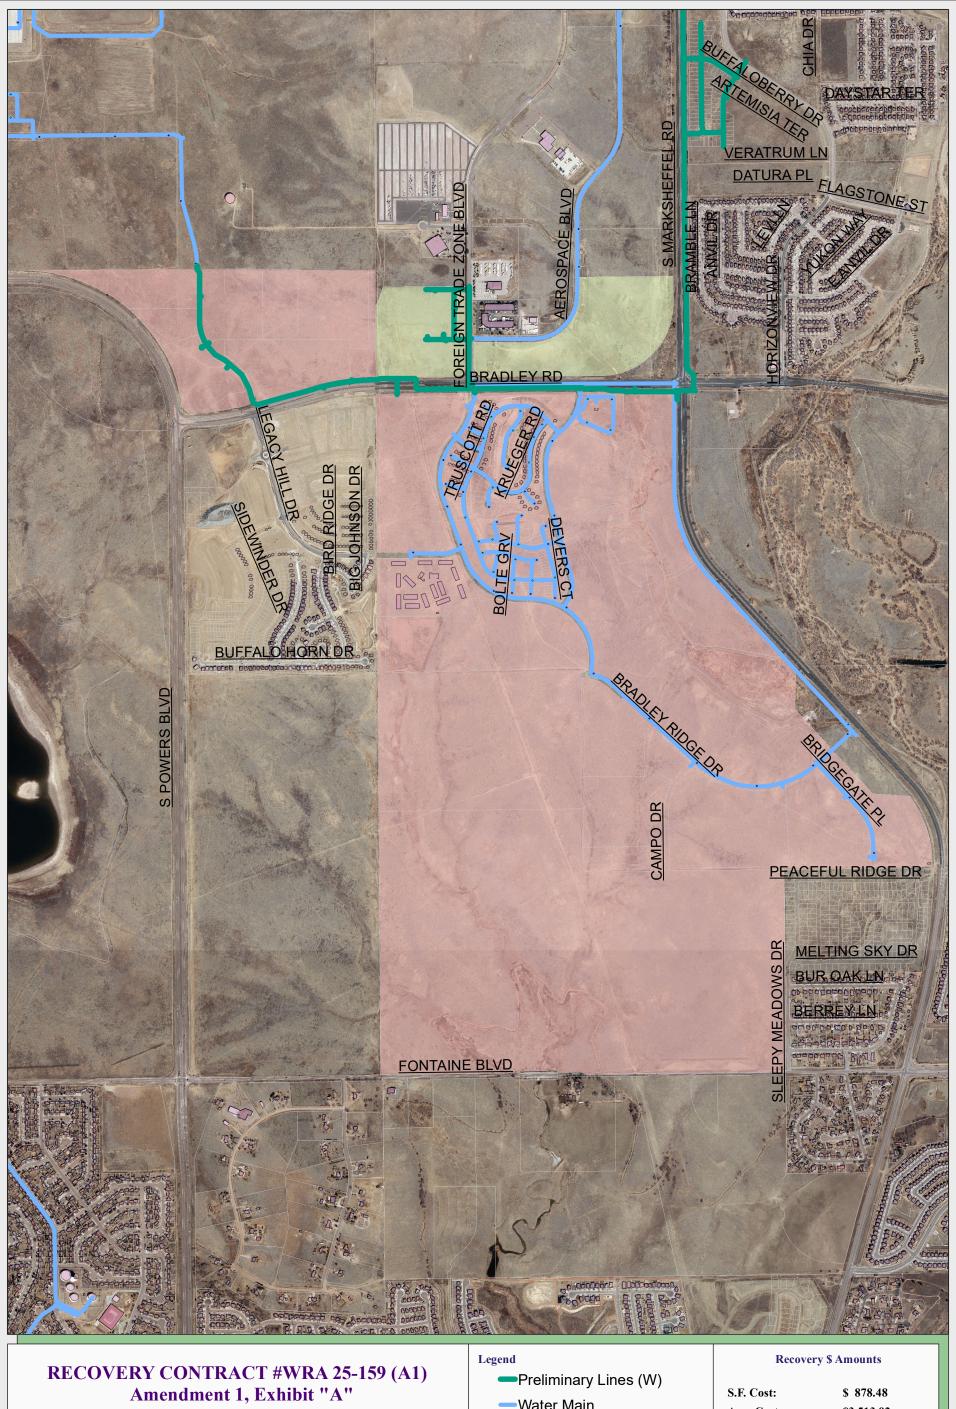

- 16.1. If a dispute arises between the parties relating to this Agreement, the following procedure shall be followed:
 - A. The parties shall hold a meeting promptly, but in no event later than thirty (30) calendar days from the initial written notice of the dispute, attended by persons with decision-making authority regarding the dispute, to attempt in good faith to negotiate a resolution of the dispute; provided, however, that no such meeting shall be deemed to vitiate or reduce the obligations and liabilities of the parties thereunder or be deemed a waiver by a party hereto of any remedies to which such party would otherwise be entitled thereunder unless otherwise agreed to by the parties in writing.
 - B. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they agree to submit the dispute to non-binding mediation and to bear equally the costs of the mediation.

- 17. <u>Severability</u>. If any provision of this Agreement shall be found to be illegal or unenforceable, the remaining provisions of this Agreement shall remain in full force and effect, and such term or provision shall be deemed stricken for as long as it remains illegal or unenforceable.
- **18.** Compliance with Laws and Regulations. This Agreement and the rights and obligations of the parties hereunder shall be subject to all applicable laws, orders, court decisions, directives, rules and regulations of any duly constituted governmental body or official having jurisdiction.
- 19. Governing Law. This Agreement shall be construed in accordance with the laws of the State of Colorado without reference to conflicts of laws, the Colorado Springs City Charter, City Code, Ordinances, Rules and Regulations. In the event of litigation, this Agreement shall be enforceable by or against the City of Colorado Springs on behalf of UTILITIES as provided in Colorado Springs City Code § 12.1.108.
